Missouri DOR Adopts Changes to Rule Addressing Resale Exemption and Good Faith

Amendments to Reg. section 10-107.100, Mo. Dept. of Rev. (2/1/24). The Missouri Department of Revenue adopted changes to its sales and use tax regulation on Missouri's resale exemption, providing that "good faith" means "honesty of intention and freedom from knowledge of circumstances which ought to put the holder upon inquiry," and "burden of proof" refers to the burden of "persuading the finder of fact that the existence of a fact is more probable than the nonexistence." Moreover, an earlier requirement for sellers to update resale exemption certificates every five years is deleted. Please contact us with any questions.
